2. At night & in morning, look in the mirror, & repeat these confirmations

Touch your head and say "I have a millionaire mind."

I release my nonsupportive money experiences from the past and create a new rich future.

I observe my thoughts and entertain only those that empower me.

I create the exact level of my financial success!

My goal is to become a millionaire and more!

I commit to being rich!

I choose to get paid based on my results!

I am an excellent receiver. I am open and willing to receiving massive amounts of money into my life!

I promote my value to others with passion and enthusiasm!

I am committed to constantly learning and growing!

I focus on building my net worth.

I am an excellent money manager!

I think big! I choose to helps thousands of people!

I ask myself consistently, what would a multi-millionaire do?

I write stories about my rich future and live them.

Dear Universe, if anyone has money coming to them and they're unwilling to take it, send it to me, I am open and willing to receive all of your blessings!

I am a money magnet! Thank you! Thank you! Thank you!
